

# Mullens Malibu

Her Bred Name is....

**Harbour Diamond Girl** (Stable name 'Ellie')

Part Bred Arab

Sire **Aimbry Chester**.

Dam **Diamond White Laleed**

bred by Jennifer Oxley

'Ellie' Brought off Danny Diggle

Came to live with us in November 2005, with no papers and a few sketchy details like sire **Aimbry Chester**. We were also told her Dams name. My Son Ben broke her in the next summer and she came on at amazing speed, her love was to jump, they both did, a great partnership formed, they went to the local show and did a double clear in the junior open, first time out. We thought she was 4 yrs & very Special.

We had **no name** but hoped she had this amazing 'Dad' who had a close relationship to '**Red Rum**', (my son is mad on racing) we call all our horses a names starting with 'M' so we took the '**White**' from the Dam and the '**Rum**' from the Dads side and came up with '**Malibu**' (this is a white rum). We register her as **Mullens Malibu** with the BSJA in November. She jumped in Juniors for just 2 months in that time my son had a 3rd and 4<sup>th</sup> in a jun Foxhunter She's got a 3<sup>rd</sup> in a JN on her card. After the new year in 2007 My son Ben was going to be 17 so he had to move up to Seniors with her. We felt she was so promising we see how the year turned out. By February she won her first British Novice got a double clear in a Newcomers.

In June we took her to her first big county show, from little local show to county in a few months, the Shropshire and West Mids, She Very nearly won just 1/10<sup>th</sup> of a second put her in 2<sup>nd</sup> place and she had qualified for Scope too!

We took her to Wales and West home of David Broome to the Welsh Master Qualifiers, Just to see her Jump outdoors in a big Show jumping arena, she loved it and put him in the ribbons twice and qualified for the Welsh Master 105m Final. She came 10<sup>th</sup> in the final.

I started asking Danny can I have this horse papers as she really jumps, I know this is no mistake theirs jumping in this mare bones. It was another year until I finally got the papers but it didn't matter.

She won one of the Summer Show Jumping Championships at Bromyard Equestrian Centre. Many other unaffiliated win's too. But her stage was to be the 5 day Championship Shows on the BSJA Circuit.

She got Ben into the final at UK BSJA Scope 2007 Champinships by coming 8<sup>th</sup> out of 250 starters, in the Kathryn James National final she did a clear and came 11<sup>th</sup>.

She qualified for Blue Chip 2008 at her first attempt she came 11 in her qualifier to the 9<sup>th</sup> in the National Final, and 15<sup>th</sup> in another other final. This was the last time she jumped BSJA. We are trying to keep her BSJA winnings down so she can still do the same qualifiers when she returns.

She won an Open a Bromyard, 7 months ago. Now in foal no more jumping.

Finally the papers arrived she was it was all true. Aimbry Chester is her Dad. She is who they said she was now she has a jumping name and a bred name. But is one year younger than we thought which makes her achievements all the more remarkable.

Hope this is ok for your records.

She won £296 BSJA winning by the actual age of 5yrs. 7 double clears in her first season in Discovery.

Yours truly,

Sara Thomas
